<b>Short training</b>													
S1: Junior Level Officials	Public procurement has become increasingly in focus as an instrument of public policy in addition to its traditional role as a cornerstone of good governance. The use of IT, is gradually evolving as an important tool in enhancing efficiency and fostering transparency and wider competition in public procurement operations. Another important aspect to be consider at the early stage of the design and preparation of procurement and related activities is the relevance of sustainability and social inclusion aspects, such as gender diversity and the important and decisive environmental impacts.	5 days residential 9 am- 4.30 pm  5 days residential 9 am- 4.30 pm	ESCB Main Campus  ESCB City Campus	40	15	S1-R(B-03) S1-R(B-04) S1-R(B-05)	30 Jan-03 Feb 27 Feb-03 Mar 03 Apr-07 Apr						
S2: Civil Service Officials	Public procurement is related to different areas that civil servants, at the entry, mid and senior level continues to manage. In fact, it has both a traditional role as a cornerstone of good governance, and an innovative function in enhancing efficiency and fostering transparency and wider competition in public procurement operations. Currently, E-Procurement initiatives are constrained by a number of legal and oversight gaps in addition to scarcity of skills and capacity within governments at the human resources level and sustainable procurement takes centre stage as a key indicator of governments' commitment to sustainable development.	3 days non-residential 9 am-4.30 pm	BCSAA	20	7	S2-(B-01) S2-(B-02) S2-(B-03)	26 Jan-28 Jan 16 Feb-18 Feb 09 Mar-11 Mar	S2-(B-04)	04 Apr-06 Apr				
S3: Auditors, Finance & Account officials	Progressive privatisation, rapid technological developments, outsourcing of public service delivery and the increased focus on results-based management in the public sector have all contributed to the increased eminence and sophistication of the public procurement function. In the case of developing countries the introduction of new development delivery modalities like Sector Wide Approaches (SWAp) and related budget support funding are conditioned by the ability of the recipient governments to put in place efficient and integrated procurement and financial management systems that fulfil national accountability requirements as well as those of International Financial Institutions (IFI) and the donor community.	3 days non-residential 9 am-4.30 pm	FIMA	17	5	S3-(B-03) S3-(B-04) S3-(B-05) S3-(B-06)	18 Jan-20 Jan 15 Feb-17 Feb 08 Mar-10 Mar 30 Mar-01 Apr	S3-(B-07) S3-(B-08)	23 May-25 May 13 May-15 Jun
